About Duquesne University

Who we are today has a lot to do with who we were yesterday. Founded more than 135 years ago by the Congregation of the Holy Spirit, Duquesne was built on a core set of values that guides us even now.

As one of the nation's top Catholic universities, our Spiritan tradition means a lot to us. You'll see it in the way we treat one another, the way we learn and how we view the world. We strive to provide a well-rounded education that will challenge you academically while nourishing your spiritual and ethical development.

Today, Duquesne is home to nine schools of study and serves 9,500 students. We boast a 15:1 student-faculty ratio with 80 undergraduate programs; 90 master's, doctoral and professional programs; and 22 postgraduate certificate programs.

About the Duquesne School of Nursing

We've spent the past 80 years serving as a pioneer in nursing education:

First university in the nation to offer an online PhD in Nursing

First university in Pennsylvania to grant a BSN degree

First dual undergraduate degree in biomedical engineering and nursing (2014)

One of the first forensic nursing programs in the country (2002)

First to offer a PhD in Nursing Ethics program (2017)

Today, our school is recognized by the National League for Nursing as a Center of Excellence, and our degree programs are consistently ranked among the nation's best by *U.S. News & World Report*.

Compassion and service are at the core of our nursing curriculum and remain a critical component in our approach to education. No matter where you are in your career, we have the experience and drive to ensure your growth as a person, care provider and nursing leader.

Online DNP Program Curriculum

As an advanced practice nurse, you already have an expanded role in the decision-making process. By elevating your practice to the DNP level, you'll have an opportunity to make an even bigger impact through clinical, administrative and policy initiatives — helping to improve outcomes for a much larger patient population.

Three unique residency experiences:

- Orientation residency
- Optional study-abroad residency (GPNS 917)
- Leadership residency (scholarly project)

To qualify for our online DNP program, you must:

- Hold a current, unencumbered RN license
- Hold a BSN degree from an accredited college or university with a 3.0 GPA or higher
- Hold a master's degree (nursing or non-nursing) from an accredited college or university with a 3.0 GPA or higher. MSN degree preferred.
- Have completed an undergraduate-level statistics course with a "C" or higher or graduate-level statistics course with a "B" or higher.

Note: Prefer strong leadership experience.
